

BA (HONS) MARKETING

with Foundation Year

What is the BA (Hons) Marketing with Foundation Year?

The **BA (Hons) with Foundation Year Marketing Degree** prepares you for a career in the dynamic and competitive world of Marketing. Obtain an understanding of the fundamental role of Marketing in the world of business, and develop essential skills through group projects, real client briefings and guest lecturers featuring practicing marketing professionals.

Modern and career-focused, our programme exposes you to the vital activities of different job roles within Marketing, such as brand-managers, researchers, and consultants. With our foundation year programme, you can dive straight into your higher studies after school and catalyse your progress towards becoming a certified professional.

Why Should I do a Marketing Degree?

The **BA (Hons) Marketing with Foundation Year Degree** will thoroughly prepare you for a career in the ever-evolving high-stakes world of marketing, through exploration of the field's theories and supplementing them with skills that are essential in the modern workplace.

Learn with a diverse student body of individuals from a wide variety of backgrounds, through a comprehensive program

delivered through flexible timetables, including evening and weekend options to suit your commitments in life.

This comprehensive course is ideal for students who wish to fast-track their journey from the classroom to the workplace. This course is accredited by The Chartered Institute of Marketing (CIM), which is the leading professional body for marketers worldwide and exists to develop the marketing profession, maintain professional standards and improve the skills of marketing practitioners. Regent College London has joined forces with CIM to give students the opportunity to gain professional qualifications through CIM Graduate Gateway.

Entry Requirements

UCAS points: **32** (this can be made up from a range of level courses, for more information on the UCAS points for your qualification go to the UCAS tariff calculator)

- ✓ We also welcome applications from students studying a wide range of qualifications from around the world. Whilst you can find specific details of our international qualification requirements under our partner university's 'Your Country' page.
- ✓ Any student who has studied in a non-majority English speaking country will typically be asked to complete an additional qualification testing English language ability (speaking, listening, reading and writing). The expected level is IELTS 5.0 or equivalent with no element below 4.5.
- ✓ These are our standard entry requirements, but we may consider lowering these for students that perform well in interview.

Students will also be asked to attend an academic interview. Suitability for entry to our programmes can be demonstrated in several ways and is not limited to academic qualifications alone, applicants who do not meet our published entry requirements are encouraged to contact recruitment and admissions for advice.
